Tokyo, Japan's busy capital mixes the ultramodern and the traditional, from neon-lit skyscrapers to historic temples. The opulent Meiji Shinto Shrine is known for its towering gate and surrounding woods. The Imperial Palace sits amid large public gardens. The city's many museums offer exhibits ranging from classical art (in the Tokyo National Museum) to a reconstructed kabuki theater (in the Edo-Tokyo Museum).

Hakone, in Japan's Fuji-Hakone-Izu National Park west of Tokyo, is a mountainous town known for its hot springs resorts (onsen) and views of the iconic volcano Mount Fuji. It also encompasses Hakone Shrine, a Shinto shrine with a red "torii" gate overlooking Lake Ashi, which can be toured by boat, as well as the boiling sulphur springs of the Owakudani Valley.

Osaka is a large port city and commercial center on the Japanese island of Honshu. It's known for its modern architecture, nightlife and hearty street food. The 16th-century shogunate Osaka Castle, which has undergone several restorations, is its main historical landmark. It's surrounded by a moat and park with plum, peach and cherry-blossom trees. Sumiyoshi-taisha is among Japan's oldest Shinto shrines.

TENTATIVE DAYWISE ITINERARY
